Celeb Lighting Competency Test

This test covers the knowledge of the Celeb Lighting Kit available to TV/Radio, Film, and Media Production students. The students may miss up to <u>3 of the non essential questions</u> and still pass. If he or she misses one of the essential questions, it results in automatic failure. Bolded questions are essential.

<u>Celeb Light</u>

Instruct the student to set up the Celeb light.

1	**Set up the C-stand stand.**
2	Attach the Celeb light to the stand.
3	Plug in the light.
4	Turn on the light.
5	Pan and tilt the light.
6	Switch between the preset light temperatures.
7	Manually adjust the light temperatures.
8	**Manually dim the light.**
9	Turn off the light.
10	Put the light back in the case.

Remind the student to let the light cool down before he or she puts it away. Instruct the student to review the equipment diagram on the lighting kit and confirm that all of the equipment is there.
