FS-700
Competency Test

This test covers the student's knowledge of the FS-700 Cameras available to Media Production students. Students may miss up to 3 of the non-essential questions and still pass. If a student misses one of the **essential questions**, it results in automatic failure for that test. Bolded questions are essential.

1	**How do you put the Battery in and turn on the power switch?**
2	How do you White balance the camera?
3	**How do you put an SD card in the camera?**
4	**How do you start recording?**
5	How do you focus?
6	How do you switch to manual focus?
7	How do you zoom?
8	How do you control the iris manually?
9	How do you control the iris automatically?
10	**How do you attach and detach the lens.**
11	Set up the wireless kit.
12	How do you select a wireless mic to be recorded on Channel 1?
13	How do you select a Shotgun mic to be recorded on Channel 2?
14	How do you check your audio levels and, ideally, where should they be?
15	What pieces of equipment are included in the FS-700 camera case along with the camera and where does each one belong?
	AC Power Adapter

Batteries (2)
